If you or any of your household members were possibly exposed to measles during the dates and times at the locations listed below, you are eligible to receive FREE vaccine.

Possible exposures may have happened to:

- Customers and employees at the LaRosita Laundromat (1212 E. Dundee Rd. Palatine) on February 16, 2015 between 7:00 am and 12:30 pm.
- Patients and visitors at the Vista Health Center (1585 North Rand Road, Palatine) on February 19th between 9 a.m. and 4 p.m.
- Visitors to any office or room in the Northwest Community Resource Center (1585 North Rand Road, Palatine) on February 19th between 9 a.m. and 4 p.m.

CCDPH believes that measles may still be circulating in the northwest suburban area. **Any resident who does not know their measles vaccination status is eligible to receive free vaccine.**
